Superintendent, United States Military Academy

Dear General Irving:

I returned from a short trip abroad to find your kind letter of August 18, in which you invited me to be the guest of the Military Academy at Army's football games this year.

From the present look of things, I fear that I will not be able to attend any of the games, but I appreciate your remembering me and wish to assure you that if I should find an opportunity I will certainly take you up on your offer of tickets.

With best regards,

Sincerely,
